SUBJECT: FINAL ADULT AND YOUTH ALLOCATIONS—PY 2006–07

The purpose of this information bulletin is to announce the release of the final Workforce Investment Act (WIA) Adult and Youth formula allocations to the Local Workforce Investment Areas (LWIA) for Program Year (PY) 2006–07. These final allocations to LWIAs are based on the final allotments issued by the U.S. Department of Labor (DOL) to the states. (Refer to DOL Training and Employment Guidance Letter [25-05](#), Change 1, dated August 10, 2006.) The final numbers for this year were delayed until Areas of Substantial Unemployment, used to calculate “relative share of funds,” were redefined. As in previous years, the allocations to the LWIAs for the Adult and Youth programs were calculated using the “hold harmless” factor.

Of the Adult and Youth allotments to California, 85 percent is available for allocations to the LWIAs. These amounts are:

<u>PY 2006-07</u>	<u>Total Allotment</u>	<u>Amount Available for Formula Allocation</u>
Adult Program	\$122,361,159	\$104,006,986
Youth Program	\$128,512,805	\$109,235,885

Attachment 1, WIA Final Adult Allocations for PY 2006–07, provides the following information:

Column 1, PY 2006–07 WIA Total Allocation with Hold Harmless for Grant Codes 201 and 202—This is the total amount each LWIA will receive during PY 2006-07 for the Adult program. It is the total of the funds that will be issued during the program year for grant codes 201 (the July 1, 2006 allocation) and 202 (the October 1, 2006 allocation).

Column 2, PY 2006–07 WIA Adult Planning Estimate Portion Issued in Subgrant Under Grant Code 201—This is the amount each LWIA has already received in their R7603XX subgrant under grant code 201.

Column 3, PY 2006–07 WIA Remaining Adult Allocation to be Issued Under Grant Codes 201 (Additional) and 202—This is the amount each LWIA has yet to receive in their R7603XX subgrant. Of this amount, a small portion will be issued as additional grant code 201 funds to most LWIAs; the balance will be issued under grant code 202.

EDD is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Special requests for services, aids, and/or special formats need to be made by calling (916) 654-8055 (Voice) or (916) 654-9820 (TTY).

Attachment 2, WIA Final Youth Allocations for PY 2006–07, provides the following information:

Column 1, PY 2006–07 WIA Total Youth Allocation with Hold Harmless for Grant Codes 301 and 302—This is the total amount each LWIA will receive during PY 2006–07 for the Youth program. It is the total of the funds that will be issued during the program year for grant codes 301 (the April 1, 2006 allocation) and 302 (the July 1, 2006 allocation). (Note: Since the DOL issued the Youth funds in two allotments, with different effective dates, the Youth allocation for PY 2006–07 is being issued to the LWIAs under two grant codes.)

Column 2, PY 2006–07 WIA Youth Planning Estimate Portion Issued in Subgrant Under Grant Code 301—This is the amount each LWIA has already received in their R7603XX subgrant under grant code 301.

Column 3, PY 2006–07 WIA Remaining Youth Allocation to be Issued Under Grant Code 302—This is the amount each LWIA has yet to receive in their R7603XX subgrant. All of these funds will be issued under grant code 302; no additional grant code 301 funds were allotted by the DOL.

Planning estimates for Adult and Youth LWIA allocations were announced in WIA Information Bulletin [WIAB05-95](#), dated May 23, 2006. These numbers were estimates and were not to be considered as minimum or guaranteed amounts that would be received. The information bulletin noted that some LWIAs may receive additional funds while others may receive less. The planning estimate numbers were not a factor in determining the final Adult and Youth total allocations presented in this bulletin.

The final allocations for the Dislocated Worker (DW) program were announced in WIA Information Bulletin [WIAB05-98](#), dated June 9, 2006. California received a DW allotment from the DOL of \$162,375,543, of which \$97,425,326 (60 percent) was available for formula allocation to the LWIAs. Those allocations have been included in this information bulletin for convenience as Attachment 3.

If you have any questions regarding this bulletin, please contact your Regional Advisor at (916) 654-7799 or Dave Rexus, Manager of the Workforce Advisory Section at (916) 654-8502.
